Unless otherwise stated payment required is NET 30 from completion date. Transportation and insurance is purchaser's responsibility.

A minimum monthly finance charge of 1.83% will be charged on all goods and services not paid in full within 30 days from date on invoice. This is an annual percentage rate of 22%. By accepting this invoice, in the event of litigation by either party the purchasing agency agrees to pay interest, storage, collection costs, and reasonable attorney's fees.
